20th Year Celebration!

In June residents celebrated the 20th anniversary of the successful stock transfer of their homes from the former Glasgow District Council to Maryhill Housing Association in 1994. The informal social event was held in Ruchill community centre. That transfer of ownership of the homes to the association is regarded as having been a great success. The occasion allowed those attending to look back on the transfer with the help of many photos dating from the early 1990s showing how the area looked then and now.

Evening Times: Award Winning Community Garden!

In June the Ruchill Little Roots Garden won the Evening Times “Best Community Garden” Award. They along with many other groups of volunteers have helped with the transformation of derelict land at the back of Ruchill Community Centre. It is now a beautiful space for families and residents of Ruchill. The garden has brought together families and residents who would not otherwise have met.
